

We warmly welcome you to our VKKK parent's house.

Dear residents of the parent's house,

the construction of this parent's house was enabled exclusively through donations. We are not a hotel and for that reason the service cannot be compared to that of a hotel. With your cooperation, we can make our guests stay a pleasant one.

- Only two people maximum per child patient may reside here.
- Only grandparents and siblings may be received as visitors in the parent's house for hygienic reasons (Please note: By appointment only!)
- Breakfast is between 7am and 9am. These times should be observed for organizational reasons.
- Evening meals should be finished by 9pm at the latest. Please leave the kitchen in the way you would wish to find it.
- Please do not disturb others by keeping noise to a minimum in the whole building from 10pm onwards.
- In addition, please be considerate towards parents who have spent the night in the clinic and may wish to rest during the day by keeping noise down.
- When moving in furniture and household items may not be brought into the house.
- When moving out, please take off bedding, and dispose of any rubbish. Should this not be carried out, your deposit will not be refunded. You are responsible for cleaning the residence during your stay.
- Only the allocated compartments, or baskets are to be used in the food cupboards, refrigerator or freezer. Out-of-date food will be disposed of by our members of staff.
- Long-term residency can be arranged in our external flat.

We thank you for adhering to our rules in the interest of all residents.
